SAFETY

Pedestrian crossing points are located along the event route. These will be supervised to help pedestrians cross the road throughout the event. Please note that some existing pedestrian crossings may be suspended, but an alternative, where it is easier to cross, will be clearly signed.

Although roads will be closed to general traffic, there will be bicycles and event vehicles using the road during the closure period. Please do take additional care, looking in both directions when crossing the road or accessing and exiting your property, particularly if there is no footway. In certain locations, stewards will be available to assist you.

We thank you for your patience during the event. Please listen to instructions given by our stewards and volunteers.
